PERMISSION TO COMMUNICATE VIA EMAIL

To All Turning Leaf Home Owners:

Per the Florida State Statute chapter 617, the Association can obtain permission from the homeowners to notice them on all Association matters via the email internet system.

This notice is to inform you that the Turning Leaf Subdivision, would like to get your permission to be able to send you information regarding your Association via the email system. Examples of information that can be sent would be meeting notices, newsletters, community notices, etc. Please understand, that providing this approval allows your email to become public contact information as it can be included in bulk emails to others.

The ability to provide information via the email system provides a savings to the Association with regards to postage and office supply charges. The email system also can provide a more prompt response to issues than the US Mail.

If you wish to provide your permission for this noticing alternative, please indicate your permission by completing the below information.

By signing below, you are giving your permission to have association information sent to you via email and you understand that your email address can become public contact information for others.
